

Renewable Energy Initiative

At Earth Strike Athens
January 15th, 2019

Who Are We?

- ▶ We are a grassroots campaign, comprising local activist groups and concerned citizens, pushing for **100% Clean Renewable Energy in Athens by 2035.**

Renewable Energy Initiative

Citizens of ACC

Our Aims

- ▶ A just and equitable transition to 100% clean renewable energy for:
 - ▶ low-income housing
 - ▶ public municipal buildings;
 - ▶ ACC public transport fleet; and
 - ▶ private and industrial properties and vehicles.
- ▶ **Energy independence & resilience** for our municipality.

Who Else Is Doing It?

- ▶ Across the U.S. **100 cities and counting**, including **Atlanta** and **Clarkston** locally.

Who Has Done It Already?

Aspen, CO

Greensburg, KS

Burlington, VT

Rock Port, MO

Kodiak Island, AK

Georgetown, TX

Six cities in the U.S.—Aspen, CO; Burlington, VT; Georgetown, TX; Greensburg, KS; Rock Port, MO; and Kodiak Island, AK—have already hit their targets. These six cities now generate 100% of the energy used community-wide from clean, non-polluting and renewable sources.

How?

- ▶ **Special Tax Funding:** E.g. SPLOST, eSPLOST, TSPLOST: improving energy efficiency in low income housing, mandating net zero carbon emission targets for ACC public & administration buildings; and electrifying ACC bus & public service vehicle fleets.

- ▶ **Other Funding:** Federal grants, private funding, fundraising projects...

How?

- ▶ **Working with Sustainability Partners & Projects:**
E.g. ACC Office of Sustainability: Sustainable Energy Plan.

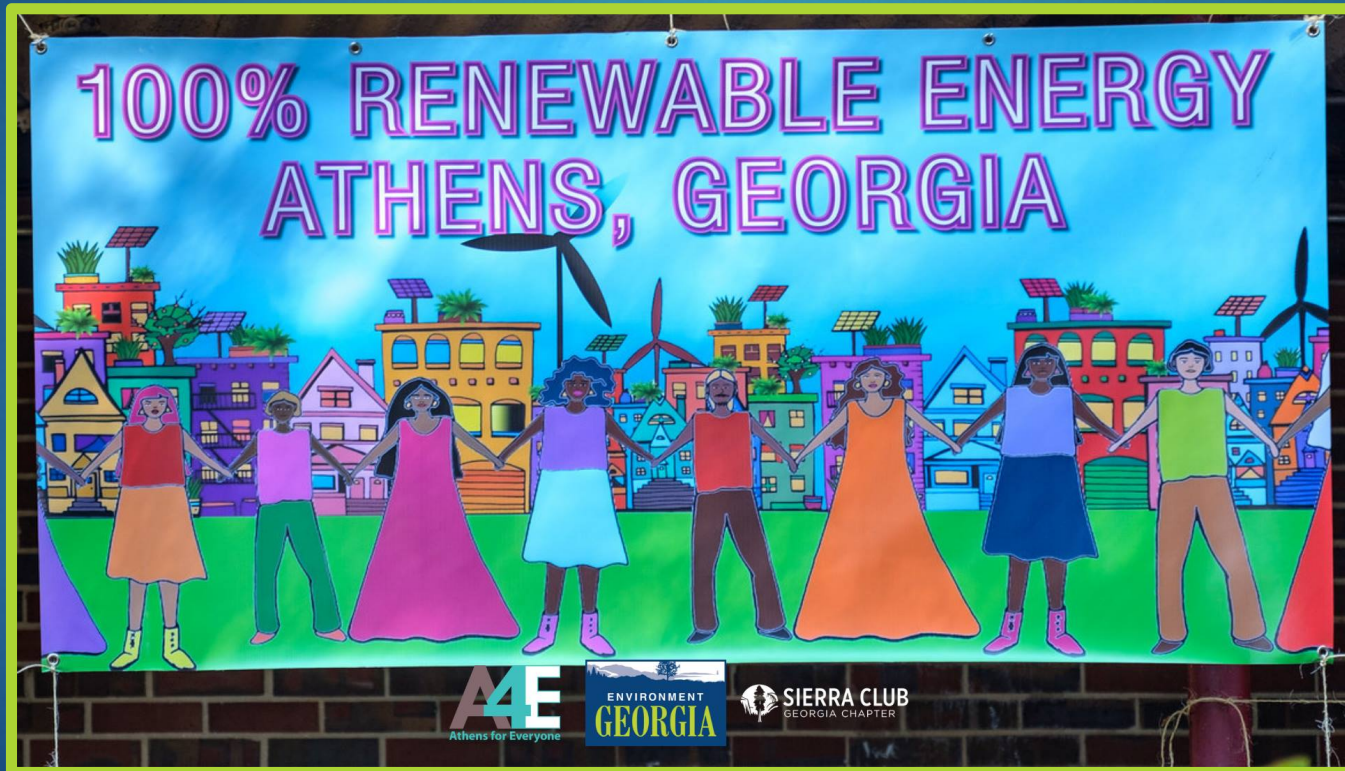

How?

- ▶ **Engaging Community Support:** Collaborating with local sustainable energy action groups such as CCL, GC3, Solarize Athens and 100% Athens with **community outreach & education.**

What Have We Done?

- ▶ **Rise for Climate Athens! Event – September 2018.**
 - ▶ Strong support from local elected officials & Athens residents.

Our Actions So Far Include...

- ▶ SPLOST Proposal for 100% Renewable Energy submitted – *November 2018*
- ▶ Petition for 100% RE in Athens-Clarke County – *December 2018*
- ▶ Community Policy Conversation on 100% Clean Energy – *December 2018*
- ▶ Working on Renewable Energy Resolution – *January 2018*
- ▶ Lobbying our elected officials - ongoing
